If you're looking for a lighthearted and relaxing miniature golf game for your computer, then you're holding the wrong box, duffer.

The wizards at Accolade have spared no expense in an effort to drive you crazy. Mini-Putt is the ultimate miniature golf challenge...a magical, animated "Golf O-Rama" filled with pee-wee putting pandamonium that not only tests your skills ...it tests your sanity.

In Mini-Putt you can expect the unexpected. Each looney link was designed to have you ricocheting off the walls. Obstacles and hazards can spring to life. A serene green can gobble up your golf ball. Can your nerves take it or will your putter flutter?

Remember, if your game is on, Mini-Putt can be "Fantasyland." If your game is off, Mini-Putt can be "No Man's Land."

Accolade's Mini-Putt. Straitjacket not included.
